Supported Living Resource Manager (Learning Disability Services)

Introduction

An introduction to the MioCare Group

Hello, and thank you for downloading this Information Pack.

Through our various services, MioCare provides care and support to people whilst promoting independence, choice and wellbeing. Created as a provider by Oldham Council in 2013, our ambition is to set a high standard for quality of care.

We can only deliver outstanding care and support with the right team in place. We seek to create a working environment where people feel supported, can thrive and deliver care and support that they are genuinely proud of. That's our aim, and if you think it's a good one then we'd love for you to apply for a role at MioCare.

Our new **#FutureFocus** strategy sets out the Group's objectives, with a primary focus on delivering high-quality outcomes and making effective use of our resources. As a Community Interest Company, any value and surpluses created are reinvested to improve services, develop and support staff and enrich the communities served.

Our mission of **'supporting people to get the most out of life'** remains the same, and having spent time engaging with people we support, our workforce and partners we are delighted to present some refreshed values and strategic pillars...

Our values: Inclusive → Dedicated → Collaborative → Aspirational

Our pillars:

1. Outstanding care
2. Workforce as a strategic asset
3. Service model evolution
4. Growth-driven financial sustainability
5. Digital and data-enabled care

You can read more about the pillars on the next page.

With over 600 employees across the Group, we pride ourselves on being an ethical and caring organisation, ensuring people are supported and rewarded appropriately. We are an accredited [Employer of Choice](#) and an **Oldham Living Wage** employer. We also hold a **Bronze Award from the Defence Employer Recognition Scheme**.

Thanks again for taking the time to read this and we are looking forward to receiving an application from you!

Adrian McCourt
Interim Managing Director – MioCare Group

● Our **5** strategic pillars ●

1 Outstanding care

To move beyond great, person-centred care as our baseline to become a sector-leading organisation shaped by the people we support, our workforce, and our partners.

2 Workforce as a strategic asset

To ensure MioCare has a confident, capable and engaged workforce that can deliver outstanding care, adapt to change and support growth.

3 Service model evolution

To ensure MioCare's service models continuously adapt to current and future needs, remain outcomes-focused and deliver best-in-class practice.

4 Growth-driven financial sustainability

To generate sufficient, sustainable surplus to enable investment, resilience, autonomy and improved outcomes for the people we support.

5 Digital and data-enabled care

To use digital systems, data and insight to support better decisions, improve productivity and enable more personalised, effective care.

Our Commitment To Equality, Diversity and Inclusion

As a local authority-owned Community Interest Company (CIC) we both support and adhere to Oldham Council's 'Building a Fairer Oldham' Equality, Diversity and Inclusion Strategy.

Our vision is to create a place where people understand, respect and celebrate each other's difference. We are committed to creating a place that values and celebrates our differences while promoting equal opportunities for all.

At MioCare, we are passionate about equality, diversity and inclusion. We want to do more and have a deep sense of pride in challenging inequality in all its forms.

We have our own policies and procedures too, alongside an Equality, Diversity and Inclusion Together (EDIT) steering group and regular opportunity for reflection, feedback and celebration across the Group through in-person events, regular appraisals and supervision, workforce surveys and online communications.

Role Profile

Role Purpose

To oversee and manage the day-to-day delivery of high-quality care and support services within MioCare's Learning Disability Supported Living houses – promoting respect, equality and independence and providing an environment where people can thrive and become the best they can be.

Supported by the Registered Manager, the post holder will be responsible for the staff team(s) and people who use the service in all day-to-day affairs, and will help develop the service's long-term future.

Portfolio

Supported Living houses for vulnerable adults with a learning / physical disability, mental health problems, challenging behaviour, autism, ABI (Acquired Brain Injury) and a variety of complex health care issues.

Key Relationships

The postholder will lead and manage Deputy Resource Managers and front-line staff to deliver an outstanding, high-quality service.

The postholder will report to the Registered Manager and will work as part of a wider team of Resource Managers and Deputy Resource Managers within MioCare's Learning Disability Supported Living Service.

Main Accountabilities and Responsibilities

Key Tasks

- Provide leadership and direction to staff team(s), ensuring the provision of high-quality person-centred care within an enabling and encouraging environment in which the people we support can develop and thrive.
- Set, deliver and maintain the highest standards of care, including developing positive outcome-based care plans, supportive risk assessments, effective medication management and infection prevention and control routines and the provision of dignified and respectful personal care services.
- To champion the needs of people we support, liaising with families, working with other professionals in multi-disciplinary teams and supporting all areas of financial management.
- Continually evaluate the quality of service provided, completing all required compliance checks and audits and seeking opportunities to enhance the systems used to assess, monitor and improve outcomes for people we support.
- To effectively manage available resources in line with allocations, current care plans, individualised budgets and Continuing Health Care (CHC) funding, anticipating changing needs and adjusting as necessary.
- Oversee and participate in the provision of 'on-call' services to staff and people we support.
- Contribute to the organisations Operational Leadership Team which meets regularly.
- Be prepared to work flexibly to ensure the safe delivery of the service.
- You will be responsible for the operational management and quality of the service. You are expected to collaborate with the housing provider, local authority and other stakeholders. You will ensure that Care Quality Commission (CQC) care standards are met and the highest level of customer service is provided.
- Promote awareness of the service and respond to enquiries and referrals. Undertake need and risk assessments. Contribute to the Allocations Panel, collaborating with housing management to fill vacancies according to the service aims and specification and ensure best value to the commissioners.

- Build links with voluntary and neighbourhood groups to promote social inclusion and community connections, ensure positive promotion of the scheme and client use of community resources and integration into the community.
- Collaborate with housing providers to ensure a high standard accommodation and physical environment and that all areas are attractive, clean and well maintained. Ensure that repairs are promptly reported. Escalate matters in line with the Service Level Agreement if repairs have not been completed within allocated time scales and / or to the client's satisfaction.
- Promote safety for clients and staff and a culture of positive risk management which balances the protection of vulnerable clients with the necessary opportunities to enjoy fulfilling life.

Managing People

- Encourage individuals and teams to find their own solutions and to take responsibility for their work.
- Assess team's performance and guide their personal and professional development.
- Maintain knowledge and practice of all statutory procedures.
- Manage staff performance including attendance at work, poor performance, grievance and disciplinary matters.

Representing the MioCare Group

- Represent the company as required by attending meetings, conferences and networking opportunities to promote and raise awareness of the Group's services.
- Establish effective relationships with key external stakeholders, including relevant professional bodies and the statutory regulators.
- Ensure the delivery of excellent customer care within the company.
- Uphold the highest ethical standards, observe confidentiality, exercise discretion and maintain the ethos of the company.

Meet all Regulatory Requirements

- Be responsible for the safe delivery and accurate recording of care in line with legislation, the Care Quality Commission (CQC) and our company policies.
- Ensure that policies and regulations pertaining to management of buildings, fire safety, food safety, personal hygiene and infection control, environmental health, general safety and security are adhered to by staff, tenants and visitors.
- To lead on the reviewing, monitoring and updating of all service user documentation to include care plans, risk assessments and medication records whilst evidencing choice, preference and consent to care and treatment.
- Understand and monitor health and safety in the workplace.
- Ensure that the service plan and its objectives are understood, delivered and monitored the by relevant team personnel.
- To investigate complaints, producing accurate reports including problem solving and learning.

This list of duties is not exhaustive, and you will likely be required to undertake additional ad hoc duties for which any required or relevant training and support will be provided.

Employment is conditional on receipt of a satisfactory DBS, two references from your most recent employment and proof of qualifications. All new appointments are subject to a six-month probationary period.
